### Relevant Information:

- 1) We place no strict limitations on our trips but we request prudent judgment of physical and mental health, experience and ability for participation in our programmes.
- 2) While great care and efforts are put in to give you the same schedule, due to situations beyond our control (for instance, bad weather, civil disturbances, etc.) we may be forced to make a few amendments in the Programme.
- 3) We stress on the need to adhere to the suggested kit list to be better prepared.
- 4) Strawberry Outbound follows Eco Travel guidelines. We expect you to be friendly to the environment.
